## Registering on MyPrime.com

### Registration on MyPrime.com is a simple three step process

- 1 Enter your plan information
- 2 Complete your personal information
- 3 Create your unique account information

The screenshot shows the MyPrime.com website interface. At the top right, there are language options (Eng, Esp), accessibility icons (A, A), and the PRIME THERAPEUTICS logo. A dark blue navigation bar contains a home icon, 'Medicines', 'Pharmacies', 'Learn', 'Forms', 'Register', and 'Sign in'. The main content area features a large banner with a smiling man in a blue checkered shirt. The banner text reads: 'Welcome to MyPrime', 'Easily manage your medicines', and 'Use MyPrime.com to save money on medicines for you and your family. We make it easy to compare costs for medicines and find the nearest pharmacy in your network.' Below the banner, the text says 'Register now and find ways to save' and 'It only takes a moment to register with MyPrime. You'll get personalized information on medicine costs and coverage based on your benefit plan.' A prominent blue 'Register' button is highlighted with a red box, with a 'Sign in' link next to it. At the bottom, it says 'Or select a plan and explore MyPrime without signing in.'

The screenshot shows the 'Register your account' page. At the top, there is a navigation bar with 'Medicines', 'Pharmacies', 'Learn', and 'Forms'. Below this, the main heading is 'Register your account' with a sub-heading 'You're just three steps away from being registered.' A note states 'You will need your member ID card.' Step 1 is 'Enter your plan information.' It features a dropdown menu for 'What is your health plan?' and a 'Select' button. Below that is a question 'Are you a Medicare Part D member?' with a 'Select' dropdown and a 'Next step' button. A red box highlights the 'Next step' button. A red arrow points from the 'What is your health plan?' dropdown to a larger inset showing the list of health plans, with 'Avalon SecureRx PDP' highlighted. Another red arrow points from the 'Are you a Medicare Part D member?' dropdown to a smaller inset showing the 'Yes' and 'No' options, with 'Yes' highlighted.

## Find a pharmacy

When looking for in network pharmacies, a member can click on **Find a pharmacy**. A member will first identify if they are looking for a retail or home delivery pharmacy. Once identified, the member will be asked to enter a city, state or zip code to generate a list of in-network pharmacies if the member selected retail.

If a member selects retail, resulting list will provide the member with up to 25 in-network retail pharmacies. Based on plan set-up, members may be able to further filter their results to search only for pharmacies able to provide a 90-day supply, open 24-hours, licensed to administer vaccines onsite and fill an electronic prescription.

## Find a pharmacy

When pricing medicines at the retail locations on the Find a pharmacy page, the member will first click on **Select medicines**. Members can then identify the medications they are looking to price. The site will deliver up to date pricing for the pharmacies listed in the search results. Prime automatically delivers pricing for the first pharmacy on the list, members would click on “Price my medicines here” to get pricing at any of the additional pharmacies on the list. This alleviates members having to wait while we bring back pricing for all 25 pharmacies.

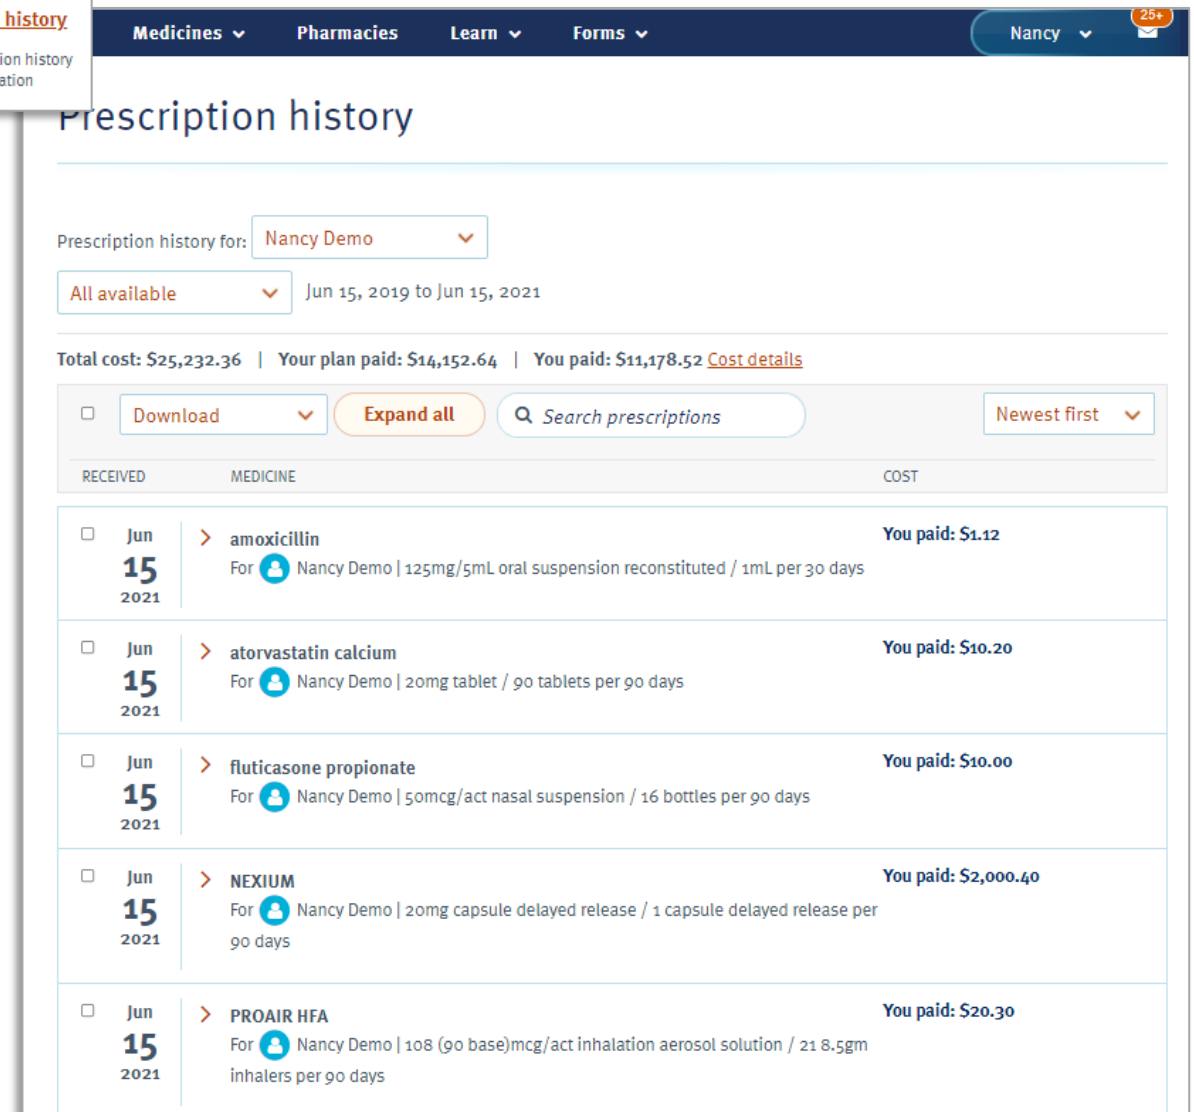

The screenshot displays the 'Find a pharmacy' page on MyPrime.com. At the top, it shows '11 closest pharmacies in your network'. A 'Select medicines to price' button is highlighted with a red box, and a 'Select medicines' button is also visible. Below this, a list of pharmacies is shown, including 'Community Pharmacy at St. Charles M' and 'Safeway Pharmacy #1504'. A modal window titled 'Select medicines' is open, showing a list of medications with checkboxes. The 'Current medicines' section is selected, and a list of medications is displayed, including amoxicillin, atorvastatin, and CONCERTA. The modal also shows pricing for two medicines, with details for 'CVS Pharmacy #16816' and 'Cub Pharmacy'. A 'Change medicines' button is visible in the modal. On the right side of the modal, there are 'Helpful documents' including 'In-Network Specialty Pharmacies', 'Home delivery', and 'Specialty medicines'. The 'Home delivery' section states: 'Home delivery brings a 90-day supply of your medicines straight to your door. Learn more'. The 'Specialty medicines' section states: 'Get personalized support for complex, chronic conditions and medicines that treat them. Learn more'. At the bottom right of the modal, a note states: 'Retail costs reflect the estimated amount you'll pay after your health plan's cost share - such as copay, coinsurance, deductible or premium - have been met. Actual cost will be determined at the time of purchase.'

## Prescription history

Prescription history displays up to two years of prescription history. Members can view information by individual and can adjust the date range to meet their needs. MyPrime.com will display the total cost, plan paid and out of pocket expenses based on the individual and date range selected. Members can choose to print or download the results.
